We are delighted that you are registering the above listed student for the OEM Youth Preparedness Camp. We have planned an exciting and fun camp! However, the camp is limited to twenty students so pre-registration by a parent or guardian is required. Because of the limited space, some students may have been turned away, so we ask that you please make sure your student is committed to attending each day of the camp.

The camp fee of \$15 is due at registration. We would like for each student to earn their own fee. We also require the completion of the following forms at the time of registration: Medical History, Emergency Contact, Photo Release. These forms should be part of your registration packet. Students will receive a camp tee-shirt so please provide the size in the space below. All tee-shirts are adult sizes.

The camp will provide snacks and water for students. We ask that they pack a sack lunch for each day except Friday. Friday is a special day as we will have a pizza party at lunch. After the party parents are invited to attend our closing ceremony beginning at 3:00. Students will receive a certificate of completion and will be given an opportunity to do a presentation of a class they found interesting during the camp. This is totally volunteer. Students have had great fun doing the presentations.

We have found the following rules are necessary for the camp to run smoothly:

1. No usage of electronic devices (cell phones, etc).
2. Students must be picked up by a parent or guardian.
3. Each student must let an instructor know when they leave for the day.
4. Students must dress appropriately each day as some of our activities will be outside.

This is a great learning experience for your student. They will be introduced to many leaders in our community and will have an opportunity to participate in many activities. Thank you for allowing us to enjoy your student in our camp.

OEM YOUTH PREPAREDNESS CAMP WILL NOT BE RESPONSIBLE FOR PERSONAL ITEMS THAT ARE LOST OR DAMAGED DURING THE CAMP.
